About Us

Welcome to the world of Fabulous Interiors!

We are a young Polish brand offering a wide range of interior design products, textiles, curtains, bedding, carpets, lighting.

Our path to beauty began in 2005, when we created a blog where we shared the most interesting ideas for interior design and children's rooms. In 2015, we opened our first online store, and a year later we created a store with accessories for children bajkowewnetrzakids.pl

In our offer you will find everything you need to equip children's rooms: bed sheets, pillows, sheets, cones, cocoons, canopies, protectors, play mats, knitted blankets, changing tables, curtains, carpets, lamps, paintings and posters, crib accessories, carrousel, garlands, toys, stroller inserts, sleeping bags. By creating unique designs and collections for you we try to create a joyful and colorful world full of smiles of our customers. When choosing patterns we remember of current trends and standards.

All our products are made in Polish sewing workshops, where a well-coordinated team of experienced and extremely creative seamstresses works. Accessories are sewn by hand with attention to every detail. The fabrics we use are safe for children certified with the OEKO-TEX 100 certificate. Our fabrics are delicate and at the same time very durable. The colors remain vivid and durable thanks to the unique and very safe printing method, confirmed by certificates. We control our production at every stage. Starting with the factory, where the cotton is woven, printing houses, our sewing rooms, to the quality control directly before packing and sending the finished product to the customer.

We are proud that as a fully Polish brand we can share with you our ideas and and passion for beautiful interiors.

Marketing offer

We invite to wholesale cooperation stationary and online stores and foreign sellers. We are a company registered and reported in the European Union. We have a European VIES number. We export products to most foreign markets, including all European markets.

As a Polish manufacturer we offer a wide range of products for interior decoration and children's rooms: bed sheets, pillows, sheets, cones, cocoons, canopies, protectors, play mats, knitted blankets, changing tables, curtains, carpets, lamps, paintings and posters, crib accessories, carrousel, garlands, toys, stroller inserts, sleeping bags.

All products are made in Polish sewing rooms and sewn by hand with attention to every detail. The fabrics we use are safe for children and OEKO-TEX 100 certified. Our fabrics are delicate yet very durable. The colors remain vivid and durable thanks to a unique and very safe printing method, confirmed by approvals. We control our production at every stage. Beginning with the factory where the cotton is woven, the printing house, our sewing room, and right up to quality control before the finished product is packed and shipped to the customer.

Puffs and seats

Cushions and floor mattresses ideal for use as pouffes in the toddler's room.

Pillow size 40x40 cm, Mattress size 80x55x10 cm.

Moses baskets

Moses basket - a must have for every layette. Ideal for the baby and newborn, made by hand from natural corn husk stems. It has an aesthetic openwork weave with delicate holes, thanks to which it is airy, which is good for the baby's well-being.

The basket is 80 cm long, so it will last for about 8 months.

It comes with a soft mattress.

Dimensions: 80x35x25 cm, Maximum load: 8 kg

Play mats

The range includes mats sewn in cotton or velvet.

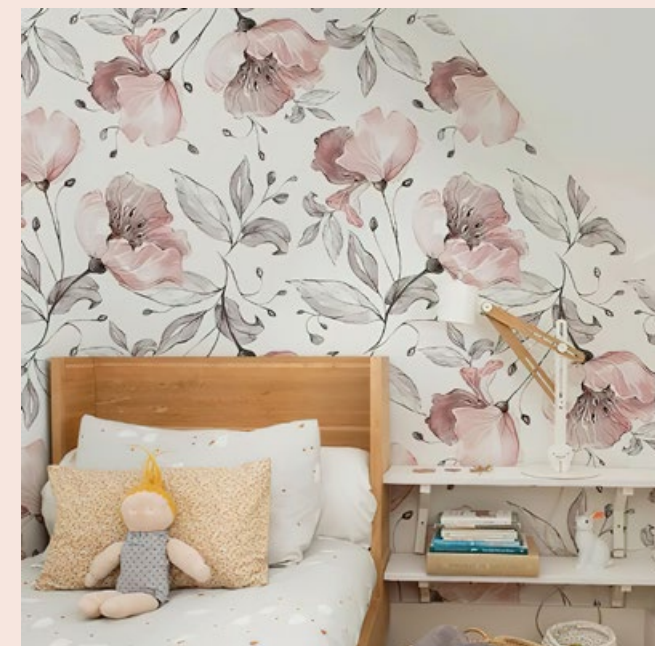

Available in several patterns: a leaf, a circle, a mat with frills or a teddy bear mat with ears.

Each with a diameter of 100 cm.

Wallpapers

Fleece wallpaper printed on a durable 150g backing with a smooth surface. Resistant to deformation and stretching. HP Latex technology allows the colours to last for many years. Sold in rolls of 10m each.

Wall stickers

Available in a variety of designs and sizes to choose from. Waterproof, printed from high quality self-adhesive foil, cut out with laser precision along the outline, they can be used to cover both walls and other surfaces, windows, doors, furniture. The stickers are printed on foil with a special DOT (point) adhesive. This prevents blisters from forming during application, and moving the product to another place does not cause any loss of adhesive properties of the material. They can be repeatedly re-glued from place to place. They do not leave adhesive on the surface after peeling off.
